COACHING STAFF

Brent Brennan, a San Jose native and second-generation Spartan, enters his third season as the San Jose State University football head coach.

In his two seasons as a head coach, the Spartans realized achievements on the playing field, academically and in the community. Building a program with long-term success and sustainability in mind, 47 freshmen earned playing time in either of the first two years. San José State enters 2019 with 60 players who have game experience – the most ever to start a season.

He can look back to players receiving 11 All-Mountain West post-season awards, seven that played in a post-season all-star game and NFL draftees Josh Oliver, a tight end by the Jacksonville Jaguars in 2019, and defensive back Jermaine Kelly by the Houston Texans in 2018. Playing the #11-toughest schedule in the Football Bowl Subdivision (FBS) in 2018, the Spartans had a +27 improvement in turnover margin compared to 2017, second highest by a FBS team in the category.

Academically, San José State players have earned 57 Mountain West academic honors, and 14 institutional President's Scholars and Dean's Scholar awards at the university's annual Honors Convocation, the most in any two-year period in program history. In 2017, the American Football Coaches Association (AFCA) recognized San Jose State for the first time for academic achievement based on the NCAA's Graduation Success Rate (GSR) formula.

And Spartan players and coaches are highly visible in the fertile Silicon Valley participating in more than 5,000 hours annually of community service, campus engagement and personal outreach activities through the Beyond Football program Brennan instituted. The program was recognized for its exemplary contributions and participation with grants from The Ellen Show in 2017 and the Bill Belechick Foundation.

Brent Brennan with his wife, Courtney, daughters, Blake (left), Casey (far right), and son, Scott when he was named head coach.

Brent Brennan described June 5, 2019, the day of the "groundbreaking ceremony" for a new Football Operations Center at CEFCU Stadium as the most important day in the program's 125-year plus history.

Most recently, a team video of its participation in the Silicon Valley YWCA's "Walk A Mile In He Shoes" fundraiser to bring greater awareness of the problems of domestic violence and abuse in all forms against women generated more 1.7-million views in less than 10 days.

The 46-year old Brennan returned to the Spartans on December 8, 2016. He was an assistant coach with the Spartans during the 2005 through 2010 seasons under head coaches Dick Tomey and Mike MacIntyre. From 2011 through 2016, he coached receivers at Oregon State. The Beavers played Texas in the 2012 Alamo Bowl and won the 2013 Hawaii Bowl over Boise State. Oregon State had one of the best passing offenses in the Football Bowl Subdivision (FBS) ranking in the top-20 in 2011 (19th), 2012 (20th) and 2013 (3rd).

At Oregon State, he coached All-American wide receivers Brandin Cooks and Markus Wheaton and former school career pass receiving leader James Rodgers. Cooks was the 2013 Biletnikoff Award winner signifying the nation's top wide receivers and is continuing his NFL career with the Los Angeles Rams.

Brennan first joined the Spartans in January 2005 after being named San Diego State's quarterbacks coach. He had a variety of duties at San Jose State. Brennan coached wide receivers, tight ends and offensive tackles, was a special teams coordinator and recruiting coordinator.

Five wide receivers he recruited or coached are among the Spartans' top-10 career pass receiving leaders with 146 or more receptions. Brennan coached San Jose State's only two players with at least 200 career receptions and 3,000 career receiving yards, Noel Grigsby and Chandler Jones. He also coached Josh Oliver, the Jacksonville Jaguars' third-round draft choice in 2019, and Ryan Otten, two of the top tight ends in school history.

As the special teams coordinator, the 2008 Spartans were 20th nationally in kickoff returns and the 2007 team was ninth in punt returns.

Brennan began his coaching career at Woodside (Calif.) High School in 1996. He was a graduate assistant at the University of Hawaii in 1998, at the University of Washington in 1999 and

Brent Brennan has 29 players returning in 2019 with starting experiences from the last two seasons.

at the University of Arizona in 2000. From 2001 through 2004, he was the receivers coach and recruiting coordinator at Cal Poly.

As a college player, Brennan was a wide receiver for the 1991 through 1995 UCLA teams and lettered on the Bruins' 1993 Rose Bowl Squad. He majored in history and graduated from UCLA in 1996.

Brennan watched San Jose State home football games growing up. His dad, the late Steve Brennan, was an end who lettered in the 1967 season. Brent and his wife, Courtney, have two daughters, Blake and Casey, and a son, Scott.

Coach Brennan coached wide receiver James Jones at San José State. Jones went on to a nine-year NFL career, a Super Bowl XLV championship with the Green Bay Packers, and now is a NFL Network broadcast analyst.

Thienes came to the Spartans after serving as the linebackers coach and director of player personnel at Portland State University for the 2015 and 2016 seasons. The 2015 Vikings made their first appearance in the Football Championship Subdivision (FCS) playoffs in 15 years.

He began his college athletics career in 2007 at Marjory Stoneman Douglas High school in Parkland, Fla., as an assistant football coach. He was the team's defensive coordinator, special teams coordinator and defensive backs coach.

Thienes spent the 2008 through 2010 seasons at Ellsworth Community College in Iowa Falls, Iowa as an assistant football coach and strength and conditioning coordinator. Ellsworth won the 2008 and 2009 NJCAA Region XI Championships and Graphic Edge Bowls.

During the 2011 through 2013 seasons, he was a Boise State football graduate assistant. He worked with the defensive backs and had various special teams responsibilities. The Broncos were the 2012 Mountain West champions, won bowl games in two of his three seasons and compiled an overall 31-8 win-loss record.

Thienes was at the University of Washington as a graduate assistant in 2014. He worked with the linebackers and special teams players. The Huskies finished their season playing in the Cactus Bowl.

The 2008 Boise State University graduate majored in psychology. He earned a master's degree in kinesiology & behavioral studies from Boise State in 2013.

Ben and his wife, Tobruk, have a daughter, Landyn.

Tobruk Blaine joined the San Jose State University football staff in July 2017 as the program's first Beyond Football Coordinator.

In her role, she is responsible for enhancing the lives of football student-athletes through the university's new Beyond Football program. Student-athletes are encouraged to explore what is around them, identify interests, and inspire themselves and others through a culture of volunteerism in a greater community. Student-athetes will develop career-focused proficiencies and cultivate knowledge, relationships and skills necessary to establish a successful personal and professional life beyond the game of football.

Spartan football players have participated in approximately 10,000 hours of Beyond Football programming since her arrival. In 2019, she was acknowledged for her work and leadership as the recipient of the John Ralston Award at the San Jose State University athletics department's annual SAMMY Awards.

Blaine came to San Jose State with a background in coaching, teaching, fund raising and program building. She was a high school and college cheerleading coach at Eagle and Rocky Mountain High Schools in Idaho and at Boise State University. Her high school teams won the Idaho 5A state cheerleading championships twice for Eagle High (2005, 2006 and 2008) and twice for Meridian's Rocky Mountain High (2010). The 2016 and 2017 Boise State teams were named the United Spirit Association's (USA) national champion in the Division I Small Coed cheerleading category. Blaine was named the 2006 state of Idaho Cheerleading Coach of the Year for leading Eagle High to its championship.

While coaching at Eagle and Rocky Mountain High, she was a health sciences teacher. Her teaching style and philosophy was geared to students better understanding and aligning their approach to state and national health education standards. She developed effective student-teacher programs and lesson plans for students to meet and exceed the state and national standards. In 2012, she was one of 18 teachers from the state of Idaho honored at Boise State University's annual Barbara Morgan Mentor of the Year Awards program.

An effective fund raiser for the Boise State spirit-squad program, she annually raised more than double the program's annual operating budget to support the university's cheerleading, dance and mascot's program activities.

The 2002 Oregon State University graduate majored in health promotion and education. She has master's degrees in health education from Oregon State and educational leadership from the University of Idaho.

She holds certifications from the American Association of Cheerleading Coaches and Administrators and the National Federation of State High School Associations (NFHS). Blaine is certified by the American Red Cross in first aid and CPR.

She and her husband, Ben, have a daughter, Landyn.

Cam Radford was named San Jose State University's Director of Football Digital Communications in March 2017. He joined the Spartans after nine seasons in various video and digital administrative roles with the Oregon State University football program.

Radford is responsible for managing and producing content for all San Jose State football social media platforms and oversees all aspects of video and technology services and support for the football staff.

In his first spring at San Jose State, Radford gained national notoriety for capturing, recording and posting the video of assistant coach Alonzo Carter briefly recreating his dance moves when Carter was a backup dancer to hip hop icon MC Hammer after a weekend spring practice session. Millions of clicks were counted and many national major mainstream media outlets reported on the story.

In June 2019, his work produced a second "viral" video of the program. Radford and his team captured jubilant scenes from the team's annual participation in the YWCA Silicon Valley's annual "Walk A Mile In Her Shoes" fund-raiser to raise awareness against domestic violence and all forms of abuse and assault aimed at women.

The 2010 Oregon State University graduate majored in psychology. He got his start in college athletics in 2008 as an undergraduate intern for Beaver football working in its video department. Radford was promoted to assistant video coordinator in 2011 and director of football video and technology in 2015. As the director, he managed a $300,000 budget, was the primary resource to solve all technological challenges faced by the coaching staff and student-athletes, and produced compelling and entertaining video content for the team, alumni and fans of the program.

In 2016, "Arizona Motivational," a video his department produced, was a finalist in the motivational category for a SAVVY Award sponsored by the College Sports Video Association (CSVA) – the nation's premiere network of college sports video professionals.

He is a member of College Sports Video Association.

He first joined the San Jose State staff in 2015 as a volunteer assistant on the Spartans' AutoNation Cure Bowl winning team. For the next two seasons, Irvin was a graduate assistant working with the defensive coaching staff and the linebackers specifically.

The 2014 graduate of Chapman University majored in business administration. He played the 2011 through 2013 seasons for the Panthers. For his final semester, he was named Chapman's defensive backs coach.

He began his coaching career in 2008 as a defensive backs coach at Agoura (Calif.) High. The following season, he also was the defensive coordinator for the Chargers' junior varsity team.

Craig Thompson
Commissioner

From its inception in 1999, the Mountain West has been committed to excellence in intercollegiate athletics, while promoting the academic missions of its member institutions.

Progressive in its approach, the MW continues to cultivate opportunities for student-athletes to compete at the highest level, while fostering academic achievement and sportsmanship.

The Mountain West has marked several achievements during its first 20 years, most notably becoming the first to establish a sports television network dedicated solely to an intercollegiate athletic conference (The Mtn.). The Mountain West also was the first to experiment with the coaches' challenge in the college football instant replay system, and was the first non-automatic-qualifying BCS conference to participate in four BCS bowl games, winning three. In 2011-12, the Mountain West was among the first conferences to implement a league-wide state-of-the-art basketball instant replay system.

Changes in the NCAA governance structure set the table for another Conference first, when two members of the MW Student-Athlete Advisory Committee (SAAC) were included in the June 2014 meeting of the Mountain West Board of Directors. During the last four academic years, MW student-athletes participated on monthly membership calls and have joined MW administrators in the annual Joint Council Spring Meetings in Arizona.

Additionally, the Mountain West was the only conference to have the same member institution with No. 1 overall picks in both the NFL and NBA drafts in the same year (Utah's Alex Smith and Andrew Bogut, respectively in 2005). With UNLV's Anthony Bennett claiming the No. 1 pick in the 2013 NBA Draft, the Mountain West is one of three conferences to have multiple No. 1 NBA draft selections since 2000. Also, with San Diego State's Stephen Strasburg earning the No. 1 pick in the 2009 MLB Draft, the Mountain West is one of three conferences to have the No. 1 selection in each of the NFL, NBA and MLB drafts since the MW was founded in 1999.

The Mountain West is noted for its geographic diversity. Some of the most beautiful terrain and landscapes in the nation can be found within Mountain West boundaries, including the majestic Rocky Mountain range, which borders five MW institutions (Air Force, Boise State, Colorado State, New Mexico and Utah State).

The high plains of Wyoming (elevation 7,220 feet – the highest Division I campus in the nation) contrast with the desert cities of Las Vegas and Reno, home to UNLV and Nevada, respectively, while Fresno State, San Diego State and San José State add a West coast influence with their locations in Central, Southern and Northern California. The inclusion of the Hawai'i football program extends the Mountain West footprint to the beautiful islands in the Pacific Ocean.

From the outset, Mountain West member institutions have been committed to creating strong academic relationships, as well as athletic competition. To that end, the chief academic officers of each institution have explored academic exchange programs, library crossovers and shared research. In addition, the faculty athletics representatives routinely provide academic assistance and test-taking services for student-athletes visiting from fellow member institutions for competition.

The MW has produced 1,214 All-America selections among its 18 sponsored sports (men's swimming was discontinued as a Conference sport following the 2010-11 season) in the last 20 years, including a league-record 103 All-America honorees in 2016-17. A total of 208 MW student-athletes have also earned Academic All-America accolades in that span. The Mountain West has sent at least 25 teams to NCAA postseason events in each of the past 20 years, capturing five team national championships in women's cross country and producing 49 individual national champions in the sports of men's golf, men's cross country, women's diving, and men's and women's indoor track & field and outdoor track & field.

Mountain West members have participated in 96 bowl games under the league umbrella, including four appearances in BCS games and one CFP game. The MW has earned 84 postseason bids in men's basketball, with six Sweet 16 appearances, as well as three NIT Final Four berths. MW women's basketball has tallied 81 postseason slots, including 38 NCAA bids, five Sweet 16 appearances and one Elite Eight berth since 2000.

In women's volleyball, the MW has had 44 NCAA bids with nine Sweet 16 berths and one Elite Eight appearance. Women's soccer has earned 33 NCAA bids since 1999, with two Sweet 16 berths and one Elite Eight appearance. Mountain West men's golf has sent at least three teams to the NCAA Men's Golf Regionals in each of its 20 years, while women's golf has had at least three teams participate in NCAA Regionals 15 of the last 20 years.

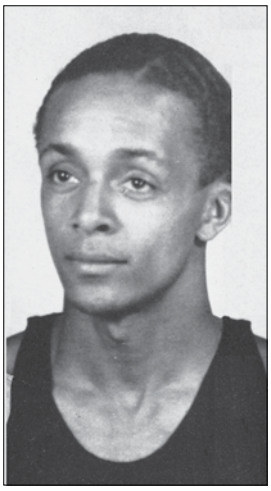
RECORD BOOK

ALL-AMERICAS

Lloyd Thomas is the first San José State University football player to receive first-team All-America honors. The Spartan played as an end on the 1936, 1937 and 1938 teams that had a combined record of 27-7-1. He was an Associated Press Little All-America as a senior in 1938, one of the organization's first black All-America football players. Thomas also was a three-time letterwinner in basketball at San José State.



Lloyd Thomas, E

Leroy Zimmerman, FB
1939 A.P. 1st team

Leroy Zimmerman was a small college Associated Press first-team All-America back in 1939 – San José State University's first undefeated and untied season. The Spartans were 13-0 outscoring their opponents, 324-29. Zimmerman was the team's rushing leader, most proficient passer, led the team with eight interceptions and in scoring, and averaged 40.6 yards a punt. He was the first San José State player selected in a NFL draft when the Washington Redskins made him the 58th overall pick in 1940. He would go on to play nine seasons for five NFL teams.

Dave Chaney was a two-time All-America linebacker. A United Press International second-team All-America as a junior in 1970, Chaney became the Spartans first major college first-team All-America when he was named to the Associated Press and Newspaper Enterprise Association 1971 teams. His greatest single-game performance was in the Spartans' 13-12 upset win over eventual Rose Bowl champion Stanford on November 13, 1971. Chaney was credited with 17 tackles, two fumble recoveries and intercepted a pass. His jersey number 52 was the first to be retired at San José State. After his college football career, he became a very successful high school tennis coach in Central California.

Charles Pauley was the NCAA Division I-A kickoff return leader in 2002 averaging a San José State single-season school 31.6 yards per return. The collegefootballnews.com first team and Associated Press third-team All-America returned kickoffs of 98 yards against UTEP and 97 yards at Stanford for touchdowns his senior season. Pauley was one of the most versatile players to wear a Spartan uniform. He played wide receiver, returned punts and kickoffs, gained yardage running the football and passed for four touchdowns in his two-year San Jose State career. As a junior in 2001, Pauley set a San Jose State single-game record of 355 all-purpose yards in a 64-45 win over Nevada. On the school's career list, he still ranks sixth for all-purpose running yardage and second in kickoff return average.

Dwight Lowery is San José State University's only player with multiple first team All-America honors. In 2006, Lowery's school record nine interceptions tied for the nation's most and played a major role in the team's 9-4 win-loss record and New Mexico Bowl victory. He became the first San Jose State player to receive American Football Coaches Association (AFCA) and the Football Writers Association of America (FWAA) All-America honors. Lowery repeated as an AFCA All-America in 2007. The New York Jets selected Lowery in the fourth round of the 2008 NFL draft. He played for the Jets, Jacksonville Jaguars, Atlanta Falcons, Indianapolis Colts and San Diego Chargers.

Did You Know?

San José State was scheduled to play two games in Hawaii to end the 1941 season. The Spartans were in Honolulu when the attack on Pearl Harbor occurred on December 7, 1941. Many players immediately joined the local police force or the armed services. The games against the University of Hawai'i on December 13 and Willamette College of Oregon on December 16 were canceled.

Did You Know?

In 1981 and 1987, San José State was the "mythical champion" of the San Francisco Bay Area. The Spartans defeated both California and Stanford in those two seasons.

The San José State University football team plays its home games in CEFCU Stadium. Built in 1933, the stadium was known as Spartan Stadium until CEFCU entered into a 15-year naming rights with the University in 2016.

The Spartans won the first football game played in the stadium, 44-0, over San Francisco State, on October 7, 1933. Since then, the Spartans have played 395 games over 81 seasons. The team's 100th win in the stadium came on October 21, 1967, against New Mexico, 52-14. The 200th victory occurred in 2005. SJSU's home field record is 240-150-17 entering 2019.

This season, CEFCU Stadium is undergoing a massive change to its east side in preparation for the construction of an operations center scheduled to be completed in 2023. Seating on the east side was removed during the summer. Two stadium expansions and renovations in the 1980's increased the seating capacity from 18,000 to over 30,000.

A FieldTurf surface replaced natural grass in 2009. The original FieldTurf surface was replaced in May 2017 with an AstroTurf surface. Two scoreboards - one on the East side and a state-of-the-art videoboard were installed in 2011.

The multi-purpose facility previously was the site of the school's annual commencement ceremony. Concerts, professional and collegiate soccer, religious convocations, band competitions and high school football games also take place at Spartan Stadium.

Five Silicon Valley Football Classics were held in CEFCU Stadium. Air Force in 2000, Michigan State in 2001, Fresno State in 2002, UCLA in 2003 and Northern Illinois in 2004 were bowl-game winners. The 1999 Women's World Cup and 1999 NCAA Women's College Cup soccer events attracted record-setting crowds.

The largest attendance at a home football game was a 31,681 sellout crowd at the 2003 win over Grambling State. The game marked the first time in memory that San José State had a "sellout" prior to a football game day.

The largest crowd to attend any event in the stadium was estimated at 37,000 for a ZZ Top music concert.

SAN JOSÉ
STATE
UNIVERSITY

Dr. Mary A. Papazian, a seasoned leader with nearly 30 years of experience as a university professor, academic and administrative leader, joined San Jose State University as its 30th president on July 1, 2016.

As the leader of the founding campus of the California State University and Silicon Valley's only public university, Papazian — a Southern California native — is firmly committed to student success; open, transparent and inclusive leadership; fostering a culture of curiosity and discovery; and building enduring campus and community partnerships.

At San Jose State University

Papazian is focused on revitalizing communication among and between campus leaders, students, faculty and staff; energizing alumni, supporters and friends of the university; meaningfully elevating engagement with elected, industry and community leaders on important regional policy issues; empowering people across the university singularly to focus on student success; inclusively assessing opportunities to enhance operational effectiveness; and articulating an aspirational vision for SJSU to be America's preeminent urban public university.

Notable milestones at SJSU since Papazian's appointment include the groundbreaking for the Interdisciplinary Science Building—the first new SJSU academic building in 30 years—and approval of plans to build a Science Park; a series of Town Hall events hosted by SJSU's Institute for the Study of Sport, Society and Social Change; and the launch of a new, 10-year strategic plan known as Transformation 2030.

Previous appointments

Before coming to SJSU, Papazian was president of Southern Connecticut State University in New Haven, Connecticut. There, her accomplishments included strengthening programs supporting the successful transition of first-year and transfer students; establishing a vision for what will be SCSU's first-ever comprehensive philanthropic campaign and securing a $3 million gift and a $1.2 million bequest to establish its first endowed chair; opening the new Academic Laboratory and Science Building; expanding international education and study abroad programs; increasing research opportunities for undergraduate students, and expanding scholarships to support student recruitment, retention and completion.

Previously, Papazian was the provost and senior vice president for Academic Affairs at Lehman College of The City University of New York, managing a $70 million budget that supported 450 full-time faculty members and 200 staff members, creating a research advisory board, hiring a new director of the Office of Research and Sponsored Programs, and developing a research handbook for faculty.

University President Dr. Mary A. Papazian helps lift the ceremonial row of bleachers at the June 2019 "groundbreaking ceremony" for the new Football Operations Center at CEFCU Stadium.

She also served as the dean of the College of Humanities and Social Sciences at Montclair State University in New Jersey, and as associate dean of the College of Arts and Science at Oakland University in Rochester, Michigan, where she began her academic career as an assistant, associate and tenured professor of English.

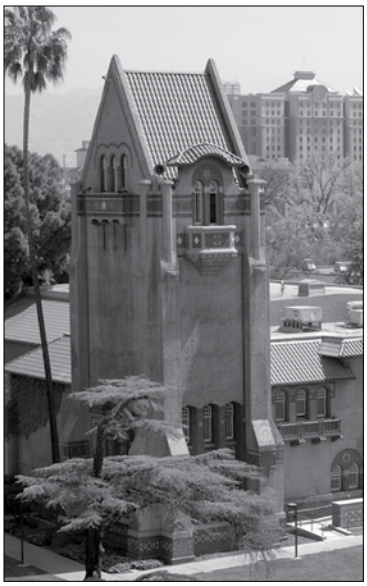
Academic interests and leadership

Papazian holds bachelor's, master's and doctoral degrees in English from the University of California, Los Angeles. She and husband Dr. Dennis R. Papazian, founding director of the Armenian Research Center at the University of Michigan, Dearborn, have two adult daughters.

Papazian is actively engaged in national and regional volunteer leadership, serving on the boards of Higher Education Resource Services, Association of American Colleges and Universities, Bay Area Council, Silicon Valley Leadership Group and Joint Venture Silicon Valley. She and Dennis both remain actively involved in Armenian historical and cultural efforts.

In May 2019, Papazian was named to a four-year term to the NCAA's 24-member Board of Directors as the Mountain West representative. The appointment followed her service to the national organization as the vice-chair of the NCAA Division I Presidential Forum in 2018. At the conference level for the 2019-20 academic year, she is a member of the Mountain West Board of Directors' Executive Committee. Papazian is designated as the Board's Incoming Chair beginning in July 2020.

Athletics Director Marie Tuite, Super Bowl winning head coach Dick Vermeil (Class of '58), President Papazian, and football coach Brent Brennan celebrate a landmark moment for San José State University.



San José State University, Silicon Valley's metropolitan university, is pre-eminent in broadly educating leaders and professionals for an increasingly complex and global society.

Located in the heart of the Silicon Valley, this university has aided the development of the computer industry and the resulting technological advances in our nation by providing the largest source of engineering, science and business graduates to Silicon Valley companies.

Graduating more than 7,000 students annually, San José State University also provides the professional infrastructure for the region – from teachers to social workers to artists to law enforcement officers to nurses. The terms, "leaders and professionals," describe not just the types of graduates who earn their degrees, but also the roles they assume in their communities and in their fields of endeavor.

Tree-lined promenades accentuate the beauty of the San José State campus.

San José State University's place in history is well-established. Founded in 1857, it was the first public institution of higher education on the West Coast. From its humble beginnings as a normal school to train teachers for the developing frontier, it has matured into a master's university offering 191 bachelor's and master's degrees.

The university's 32,000 students study in eight fully-accredited colleges: Applied Sciences and the Arts, Business, Education, Engineering, Humanities and the Arts, Science, Social Sciences and Social Work.

One strength of the academic program is the broad general education curriculum that brings common elements -- critical thinking, writing and communication skills, and cultural pluralism -- to diverse studies. Academic strength also is seen in the university's nationally-recognized programs. Examples include the School of Music, the School of Art and Design, the School of Journalism and Mass Communications, the School of Nursing and the School of Library and Information Science.

More than 7,000 graduates each year apply their San José State degrees to a professional career.

In each discipline, quality teaching remains a priority. Tenured faculty teach introductory as well as advanced courses with an emphasis on small classes. Learning facilities include computer-equipped classrooms, the Western world's only undergraduate nuclear science facility and North America's largest Beethoven Center. Focusing on applied research, faculty receive a growing number of contracts and grants each year. From Moss Landing Marine Research Laboratory to the NASA Ames Research Center, faculty are exploring everything from the depths of the ocean to the surface of Mars.

San José State University also finds strength in its diversity. For first-generation students, it is a gateway to economic independence and social mobility. It is also an incubator of cultural and intellectual development and an opportunity for lifelong learning. Students range in age from first-time freshmen to college transfers to professionals seeking additional education. Student demographics – with ethnic pluralism – provide the benefits of multiple cultures and diverse student interests and activities. From residence life to athletic teams to social clubs to co-op jobs – student activities meet the needs of this diverse student body.

ATHLETICS ADMINISTRATION

Marie Tuite was promoted to the position of director of athletics at San José State University on May 19, 2017 after seven years of university service in several executive athletics administration positions. Student-athletes now have a state-of-the art men's and women's golf practice facility; the Stephens Family Pitching & Hitting Facility for baseball; and new home facilities for men's and women's soccer, women's tennis, softball, and beach volleyball; and a commitment for a football operations center connected to CEFCU Stadium. On the main campus, there are recently renovated locker room facilities for men's and women's basketball, volleyball and women's gymnastics; and a new aquatics center for men's and women's water polo matches and women's swimming and diving meets.

• Facilitating a 15-year naming rights agreement in 2016 for CEFCU Stadium, the Home of the Spartans; the department's first all-sports apparel partnership in 2017, a six-year agreement with adidas; and creating mutually beneficial corporate participation opportunities for the Women's Tennis Association and The Golf Channel to partner with San Jose State Athletics.

• Adding the sports of women's indoor and outdoor track and field in 2013, beach volleyball in 2014, men's water polo in 2015 and reinstating the men's track and field program in 2018.

• Shepherding the most successful donor major gift campaign for Spartan Athletics in any two-year period in the program's 125-year-plus history.

• Successfully promoting San José State to be the practice site for the Carolina Panthers as the National Football Conference (NFC) representative in Super Bowl 50 and Clemson University in preparation for the 2019 College Football Playoff national championship.

• Taking a leadership role in San José State's invitation and acceptance to join the Mountain West in July 2013.

She originally joined San José State in June 2010 as a senior associate athletics director and the athletics department's chief operating officer. Tuite also held the positions of deputy director of athletics/internal operations, fulfilled the role of senior woman administrator (SWA) and was the interim athletics director in 2012 and 2017 before being named athletics director.

The football team won its two bowl games, the 2012 Military Bowl and the 2015 Auto National Cure Bowl, and the Spartans as a department captured 11 conference team championships.

Her professional career includes executive positions at Pacific-12 Conference universities and the NCAA. She came to the Spartans from Seattle University where she was a Special Assistant to the Athletics Director. Tuite assisted Seattle University's transition to NCAA Division I athletics status.

Her first athletics administrative position was at Alma (Mich.) College in 1981 as the Director of Women's Athletics Programs and Activities. She joined the University of California women's athletics staff in 1984 as an assistant athletics director.

Tuite worked for the NCAA as an Assistant Director of Championships from 1989 to 1994. She returned to a campus setting in 1994 as a senior associate athletics director at the University of Washington. Her duties included overseeing the process and appointment of new head coaches, directing daily operations, and initiating and implementing "keys to success" for priority Husky sports programs.

A two-sport student-athlete and graduate of Central Michigan University, she was inducted into the university's Athletics Hall of Fame in 1990 as just the third female inductee. Tuite played field hockey and was a star basketball player who majored in physical education. She earned her master's degree from her alma mater in athletic administration.

Tuite is a member of NACDA (National Association of College Directors of Athletics), Women Leaders in College Sports, and the Women's Sports Foundation. O'Brien created The Gaucho Fund, which increased annual giving by 70 percent in two years, UCSB's Living Scholar program in which the number of top-tier donors doubled and a multi-million dollar capital campaign, The Walk of Champions.

The San Jose native earned his juris doctorate from the University of Southern California in 2001. Once saddled with an APR score for football below 900 (out of 1,000), San Jose State's score in the sport rose steadily during her tenure and beyond topping at 975 for the 2015 NCAA report.

Between 2011 and 2016, she served the University as the associate director for undergraduate admissions and outreach. She and her team were assigned to recruit undergraduate students for San José State with a focus on under represented demographic groups.

The 2007 Brigham Young University graduate majored in communications and graduated magna cum laude. He received his J.D., from Penn State Law in 2010.

While he was earning his J.D. degree, Rasmussen began his career in intercollegiate athletics compliance at Penn State as a graduate assistant. After an internship in academic and membership affairs at the NCAA headquarters in Indianapolis, his first full-time position was at the University of Utah as a compliance coordinator.

Rasmussen returned to his alma mater in August 2011 as a manager of athletics eligibility and was promoted to the position of director of compliance three years later.

The skyline of downtown San Jose

Situated at the hub of Silicon Valley is San José – the third largest city in California and the 10th largest in the nation. San José, strategically located at the sunny, southern tip of the San Francisco Bay, is surrounded by rolling hills and striking mountains. San José's vibrant and growing downtown is the setting for San José State University and the focus for important financial, commercial and arts communities.

Regional growth and stability are complemented by an active cultural life. San José is the home of the Silicon Valley High Technology and the Children's Discovery museums, the San José Museum of Art, San José Symphony, numerous galleries and arts centers, Opera San José, the Winchester Mystery House and more professional and community theater groups.

Light rail and historic trolley lines, the 18,000-seat HP Pavilion at San José, convention facilities, shops and a diverse night scene add to the excitement. Reflecting the cultural richness is a wide range of restaurants.

The mild climate encourages an active and casual lifestyle. There are more than 100,000 acres of land for biking, rollerblading and other outdoor activities. Boasting nearly 300 days of sunshine and an average summer temperature of 74 degrees, San José symbolizes the best California has to offer. The region's 1.6-million residents enjoy recreational and entertainment opportunities year-round. Within a short drive are San Francisco, beaches from Santa Cruz to Carmel, the California coastal redwoods, Lake Tahoe and Yosemite National Park.

- 30 minutes from the Pacific Ocean
- Population - 1,000,536
- Average annual household income of $84,857 according to Money magazine
- One of the top-25 "brainiest" cities in the country
- More college graduates per 100 residents than any other major U.S. city
- Worker productivity is twice the national average
- Best public safety record of any large metropolitan area in the United States the last 10 years.
